Iowa Council on Homelessness

April 2014

Submitted by State Public Policy Group, Inc

During the annual May meeting of the Iowa Council on Homelessness, the Policy and Planning Committee will announce a 30-day feedback period. During this time recommended adjustments and improvements to the existing standards on operations, services and performance will be accepted and should be submitted in writing to the Committee Chair(s). The feedback will be reviewed during the next Policy and Planning Committee meeting and a written report will be issued in response. The Policy and Planning Committee will bring any agreed upon changes to the Council for its approval during the July meeting.
